

A story about the Coronavirus

My name is _____ and I go to Satellite School.

I go to school on Monday, Tuesday, Wednesday, Thursday and Friday.

Sometimes the routines change and I do not go to school.

This is because there are school holidays or there is a special reason why the school has to close.

My school has to close because of the coronavirus.

This means I will stay at home.

This is different and is a change in my routine but that is ok. This is to stop the virus spreading.

At home, I can play, write and draw. I can do all of the usual things I normally do at home. My teacher will give me homework packs, my adult at home will tell me when is a good time to do this.

My parents/carers and teachers will be pleased I have stayed at home.

The school will let my parents/carers know when it is open again.

I will see my friends and teachers once I am back at school.
